

## **GUIDELINES FOR PRESENTERS-ANCIPS-2012**

- All presentations have to be only in MS PowerPoint format.
- All presentations should be loaded through the preview room only. You can utilize the preview room for making any corrections or modifications to your presentations.
- Presenter's Laptops will not be allowed for presentations since switching between various laptops will waste precious time.
- Please submit your presentations to the preview desk at least 2 hr before. First sessions of the day should be loaded the previous day.
- Kindly bring minimum of 2 copies of your presentations, preferably on CDs.
